# What is AGENTSLIGHT® ?

AGENTSLIGHT.com  
Light Your Sign and Rider Too!™

AgentsLight® is a compact Real Estate Solar Light that illuminates your listings after dark. Because of its high tech design, it is environmentally friendly and does not require you to change batteries week after week.

A state of the art solar panel absorbs energy during the day and provides up to 8 hrs of consistently bright light at night.

## Features Only Available with AgentsLight®

- Installs in less than 1 minute without any tools.
- Powder coated steel frame.
- No constant battery changes or waste, includes 3 AA NiMH rechargeable batteries.
- Lights your sign up to 8 hrs after a sunny day.
- Up to 240 hrs of additional marketing exposure per month for your customers.
- A 90 days product warranty.

## Rent

### Agentslight®

Help your loyal customers sell their listings faster with AgentsLight®

- When your customers request a sign installation for their listings offer them AgentsLight® as a must have accessory.
- AgentsLight® increases your customer's listing marketing exposure specially in this tough real estate market.
- By leveraging your loyal customer base and renting Agentslight®, you create a new source of cash flow for your business. Your Return on Investment (ROI) can be up to 4 times the initial investment, assuming a \$25 rental fee and conservative average rental turn of 4 times per year per light for a period of 3 years.

## Sale

### Agentslight®

Becoming an AgentsLight® distributor is simple. Sell AgentsLight® directly to your customers and we take care of the rest.

- No need to invest in inventory. We ship directly to your customers..
- FREE ground shipping in all 48 U.S. continental states. You and your customer receive a shipping tracking number.
- Profit margins are based on quantities sold to each customer (per single unit, per a case of 4 units, etc). The more lights you sell to each customer the higher the profit margin.
- Excellent customer and technical support via email and over the phone.

**The process is easy:** Place the order from your customer; send us an email for the quantity and shipping details, we send the unit(s) and you mail us a check.
